Re: Colbert Landfill - Phase I Engineering Report

Dear Mr. Fowler:

This is to acknowledge the receipt of the report; "Phase I Engineering Report, Colbert Landfill, Remedial Design/Remedial Action, Spokane County, Washington." This report was received by the U.S. Environmental Protection Agency (EPA) on August 1, 1991. EPA will review and provide comments to you. We will also prepare to meet with you and your consultant during the first part of September 1991.

If you have any questions, please give me a call (206) 553-7177.

Sincerely,
